Rolonda Hernandez | AI Solutions Strategist, SCORE Raleigh Chapter Chair & Business Mentor

Rolonda Hernandez is an award-winning AI Solutions Strategist and Technical Program Manager with over 15 years of experience leading digital transformation across private, public, and government sectors. As the founder of K Rolonda Hernandez LLC, she has advised more than 1,000 businesses on leveraging technology for growth and is known for making AI practical, accessible, and actionable—no technical background required.

Rolonda also serves as Chapter Chair of SCORE Raleigh, a resource partner of the U.S. Small Business Administration, where she has personally mentored over 100 entrepreneurs across a wide range of industries, including notaries. Her clients consistently achieve accelerated results, including 30-45 day reductions in time-to-launch, high milestone completion rates, and clear pathways from idea to profitability.

Her work has earned her recognition as a Top 100 Global Leader in Real Estate & Construction and a recipient of the Brainz 500 Global Award.

Based in North Carolina, Rolonda continues to empower entrepreneurs through strategic guidance, mentorship, and innovative technology solutions.
